ABOUT US

Just 65 paces from Texas' oldest dancehall, Gruene Hall, on the corner of Gruene Road and the Guadalupe River, Cantina del Rio is the newest casual dining establishment in the historic district of Gruene.

The building was originally constructed in Martindale, Texas in the early 1900's and moved to Gruene in 1983. Formerly the Guadalupe Smoked Meat Company and Janie's Table, the Cantina was fashioned after a south Texas ice house and opened in June 2010 by the owners of the neighboring Gristmill River Restaurant & Bar, Mozie's Bar and Grill and The Grapevine Texas Wine Bar.

Visitors to the Cantina can take in all the sights and sounds of the historic district from the shaded deck while sipping an ice cold beverage between shops, shows at the Hall or after a relaxing float on the river. In the cooler months sit indoors or on the cozy enclosed deck in the trees.

Orders are taken at the counter and food is delivered promptly to the table as soon as it's ready!

Be sure to ask about our specials, including all day happy hour every Wednesday!
